ESTATE WINDOW CLEANING is your “Curb Appeal” solution!

Curb Appeal Adds Value - We’ve done the research....

- It’s hard to overstate the impact positive curb appeal can have for sellers. *HouseLogic* reports that performing a thorough cleaning of the outside of a house can **add anywhere from “\$10,000 to \$15,000 to the sale prices”** of certain properties.
- *The Wall Street Journal* - A new study quantifying the impact of curb appeal found that the attractiveness of a home **can boost its value by 7% or more**
- *Realtor Magazine* - Let it shine. Cleaning windows and screens will help **bring more light into your home**. Homes with high curb appeal tend to sell for an average of 7% more than similar houses with an uninviting exterior.
- *Forbes* - An effective means of freshening up the appearance is **simple power washing**, which removes grime and stains and reveals a clean, fresh look that adds to the attractive ambiance the home should display.
